To whom it my concern

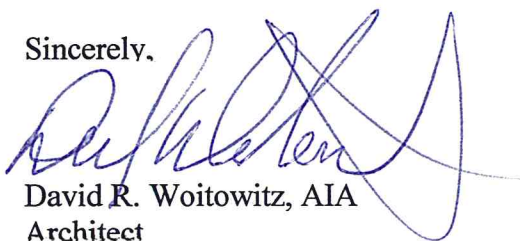

I am very pleased to write this letter of recommendation for Taulman Construction Co. Inc.

We have collaborated with the above organization for many years and on several Commercial projects over those years, most recently completed project the PEZ Candy Visitor Center. We have found them to be extremely competent and accurate in their ability to understand the construction industry. They have provided services from pre-design through completion for us and were always prepared with project estimates, project status and schedules with detailed and accurate information.

I would highly recommend them for all phases of construction.

You may reach me via E-mail at dwoitowitz@franzenarchitects.com or by phone at 203-259-0529. I will be happy to provide additional information or answer any questions you may have.

Sincerely,

A handwritten signature in blue ink, appearing to read 'David R. Woitowitz', with a large, stylized flourish extending to the right.
