

This letter should serve as support and appreciation for work professionally completed at PEZ Candy inc. by Taulman Construction. It is our experience at PEZ that the Taulman team demonstrated a professional and accommodative manner we completing extensive upgrades and expansion projects to our facilities at 35 Prindle Hill Rd. in Orange Ct.

The Taulman group was engaged on several occasions to expand our facilities ranging across several disciplines and project requirements including;

- high bay, high density warehouse expansion of more than 50,000 sq ft with very specific requirements for product handling and high velocity including several new technology systems
- full remodeling and expansion office areas of 20,000+ Sq ft and lobby expansion
- reengineer all building exterior façades and windows to meet and exceed local building codes
- build a multi level visitor center and public space with unique building and structural features including state of the art technology support
- grounds remodeling including driveways, landscaping and traffic pattern changes

In addition Taulman Construction Co. teams have been key players in insuring relationships are maintained on our behalf with local officials and contractors to ensure continuity for potential future projects.

Simply put, I am comfortable that we received the best professional services available in the region at the right price.

Respectfully submitted,
